## NOTES

This round is adapted from a Shaker song, from Mount Lebanon, New York. The original can be found in the source detailed above under the title *New Year's Greeting*. This round was created for our friends Muldoon's Picnic for workshops delivered as part of Celtic Connections 2017.

There are many ways to perform this round, and each part can enter at the half bar, or the bar. We found that entries at each bar (as shown by the asterisk) worked particularly well. With entries at this point, the round can go into 12 parts.
